(repeat)

D
By the violence of the cross

Em
My salvation was won;

It was my sin that caused the pain

G D
To Jesus, Holy One;

Such a beating to His head

Em
Stripped naked and mocked

Vicious nails tore through His flesh

G A7
Still He cried out for the lost...

Asus A7 D
IT IS FINISHED!

D A7 D
IT IS OVER! -

D A7 G
ONCE FOR ALL TIME!

Asus A7
JESUS FOREVER!
(repeat)

D
By the violence of the cross

Em
My salvation was won;

I have to works that I can boast

G D
By grace, through faith I come;

To Jesus Christ my sacrifice

Em
Pouring mercy and love;

Making right this wayward child

G A7
By the power of His blood!

I have come to these islands

Key E Capo 2 (if possible leave bass E open)

D
I have come to these islands

To undo heavy burdens

Em7
Set the oppressed free.

G A7 Asus
Give bread to the hungry;

D
I have come to these islands

To loose chains of injustice,

Em7
Reach the rejected.

G
Cover the naked.

Yes the light will break forth

Like the morning

G A7 Asus
And your healing will spring everywhere;

D
Then your righteousness will go before you

G A7 Asus
And when you cry - I shall hear.

D
I have come to these islands

With no pointing finger,

Em7
But the hands of a builder,

G A7 Asus
A home life restorer;

I have come to these islands

To rebuild ancient ruins,

Raise up the foundations,

For this generation.

Yes your light will shine out

In the darkness

And the darkness become bright as day;

You will ride this earth's highest mountains

And all you work will be to my praise.

I lift my eyes to the hills

A Bm
I lift my eyes to the hills

E
Where O where

D A
Does my help come from?

Bm
My help comes from the Lord

E D A
Maker of Heaven and the earth.

A D
I am watching over you

A
I'm the shade at your right hand

D
And the sun will not harm you by day

A
Nor the moon by night

D
I will keep you from all harm

A
I will watch over your life

D
I'll watch over as you come and go

A
Your guiding light

E - A
For all your life

The Captain of the armies of heaven

G
The Captain of the armies of heaven

Is standing with a drawn sword in His hand

The Captain of the armies of heaven

We move at His command.

F
We're going to go forward

Get our feet in the dust

We're going to make contact

D/G D
We have to rise up!

F
Take what's takeable

As we blow the rams horn

See a shift in the strongholds

D/G D
And God's Kingdom come.
