

'Is This The Beginning' - Lyrics

Is This the Beginning?

(Chorus)

Is this the beginning
A sign that the nation
is coming back to You?
A new voice is praying
That this generation
Is coming back to You!

Yes, we will see the day
When the wounded are healed
The day - Every mouth gets a meal
The day - All authorities kneel
With Jesus revealed in this land!

Yes, we will see the day
Broken lives are restored
The day - Homeless eyes aren't ignored
The day - Father's children come home
With Jesus enthroned in this land!

Yes, we will see the day
When the captives are free
The day - When God's kingdom is seen
The day - When the church all believe
It's Jesus we need in this land!

Jesus my Strength

Jesus, my Strength
My Hope
In everything -
Jesus, my Peace
My Joy
You I need -

No-one is greater
No wisdom wiser
No power is mightier
Than You -
No one is lovelier
No kindness kinder
No calling higher
Than You.

Creator - Creator

Creator - Creator
You are my God
You are my King
You are my Lord
You are my Friend
You are my Creator

I'm going to sing to awaken the dawn
I'm going to shout as a new day has come
Creator
I'm going to sing to awaken the dawn
I'm going to shout as a new day has come
Yes, I'm going to sing
How awesome is the Lord.

Creator - Creator
You are the YES
You are the LIFE
You are the RIGHT
You are the LIGHT
You are the CREATOR.

The poor and the needy

The poor and the needy, search for water but there is none.
Weak and wasting, held in darkness though light has come.
Yes, I the Lord will answer
I have heard their cry - I see it all through the tears of My eyes.

Now I will make My rivers flow on the barren lands.
Pools of water on desert sands.
Springs for the thirsty.
Bread for the hungry.
Strength for the fainting.
Life for the perishing.

A broken people, called and chosen by My right hand.
Friends of Jesus, are interceding 'Come heal our Land'.
Yes, I the Lord will answer
I have heard your cry - I see it all through the tears of My eyes.

And I will make My people into a threshing sledge.
New and sharp with a cutting edge.
To thresh through the mountains.
Cut through the hard plains.
Taking the land claimed.
Kingdom advancing.

With all my heart

With all my heart
With all my soul
With all my strength
I will love You, Lord.

With all my mind
With all my being
With all my might
I will love You, Lord.

Holy - Holy -

This is a good day

This is a good day
This is a good day to pray
This is a good day
The day the Lord has made -
And I'm so happy
That I could dance in the rain
This is a good day
To live for Jesus my King
(repeat)

And I say,
Jesus is the Lord!
Jesus is the Lord of all!
Yes, Jesus is the Lord of all the earth!
(repeat)

By the violence of the cross

By the violence of the cross
My salvation was won;
It was my sin that caused the pain
To Jesus, Holy One;
Such a beating to His head
Stripped naked and mocked
Vicious nails tore through His flesh
Still He cried out for the lost -

IT IS FINISHED! - IT IS OVER! -
ONCE FOR ALL TIME! -
JESUS FOR EVER!
(repeat)

By the violence of the cross
My salvation was won;
I have no works that I can boast
By grace, through faith I come;
To Jesus Christ my sacrifice
Pouring mercy and love;
Making right this wayward child
By the power of His blood!

I have come to these islands

I have come to these islands
To undo heavy burdens
Set the oppressed free.
Give bread to the hungry;
I have come to these islands
To loose chains of injustice,
Reach the rejected.
Cover the naked.
Yes the light will break forth like the morning
And your healing will spring everywhere;
Then your righteousness will go before you
And when you cry - I shall hear.

I have come to these islands
With no pointing finger,
But the hands of a builder,
A homelife restorer;
I have come to these islands
To rebuild ancient ruins,
Raise up the foundations,
For this generation.
Yes your light will shine out in the darkness
And the darkness become bright as day;
You will ride this earth's highest mountains
And all your work will be to my praise.

From hopelessness to living hope

From hopelessness to Living Hope
Perishing to Vision
Darkness into Light
Blinded eyes to Sight
Deafness to Hearing,

From Selfishness to Sacrifice
Maintenance to Mission
Set free to run the race
Unbelief to Faith
Survival to Revival

While we're still speaking Lord,
Come in Your Awesome Power,
May Your Kingdom break out
Transforming our lives
In this last hour,

While we're still singing Lord
Come in Your Awesome Power
May revival break out
Healing this land
We need You now Lord
We need You now Lord.

I lift my eyes to the hills

I lift my eyes to the hills
Where O where
Does my help come from?
My help comes from the Lord
Maker of Heaven and the earth.

I am watching over you
I'm the shade at your right hand
And the sun will not harm you by day
Nor the moon by night
I will keep you from all harm
I will watch over your life
I'll watch over as you come and go
Your guiding light
For all your life

The Captain of the armies of heaven

The Captain of the armies of heaven
Is standing with a drawn sword in His hand
The Captain of the armies of heaven
We move at His command.

We're going to go forward
Get our feet in the dust
We're going to make contact
We have to rise up
Take what's takeable
As we blow the rams horn
See a shift in the strongholds
And God's Kingdom come.
