

Outrageous Grace - Lyrics

They've Got A Trumpet

They've got a trumpet in their hand
And they're about to blow the trumpet
It's a signal ... It's a call to pray ...
It's an attractive sound
Many people will respond to it
I hear the people of the Lord
Awakening this day

I can hear them pray now
I can hear them pray now
I can hear them pray now
God's Kingdom come on earth

They've got the strings in their hands
And they are about to strike a rhythm
It's a flow ... with the bold new wave
It's a persistent sound
Many will respond to it
I hear the people of the Lord
Awakening this day

They've got a drum in their hand
And they're about to start the drumming
It's a new beat of the ancient way
It's a call-up sound
Many will respond to it
I hear the people of the Lord
Awakening this day

Is There An Ancient Anointing

Is there an ancient anointing?
Running underground
Rushing like a river
Carrying deliverance
For the barren land

Is there an ancient anointing?
That we have yet to know
A fire down so deep
Although we've felt the heat
We've only seen the smoke

Could we cry like the prophets cried?
Give us children or else we die
Could we pray for a hundred years?
Turn the nations with our tears
(repeat)

Is there an ancient anointing?
That we have never heard
Lost for generations
Covered-up foundations
Calling from the earth

Is there an ancient anointing?
About to be released
Can you hear the sound
Of digging in the ground
The wells are going to spring

Outrageous Grace!

There's a lot of pain
But a lot more healing
There's a lot of trouble
But a lot more peace
There's a lot of hate
But a lot more loving
There's a lot of sin
But a lot more grace

Oh Outrageous Grace!
Oh Outrageous Grace!
Love unfurled by heavens hand
Oh Outrageous Grace!
Oh Outrageous Grace!
Through my Jesus I can stand

There's a lot of fear
But a lot more freedom
There's a lot of darkness
But a lot more light
There's a lot of cloud
But a lot more vision
There's a lot of perishing
But a lot more Life!

(chorus)

There's an enemy
That seeks to kill what it can't control
It twists and turns
Making mountains out of molehills
But I will call on the Lord
Who is worthy of praise
I run to Him and I am saved! ... by ...

(chorus)
Godfrey Birtill

Dead Men Arise!

O Lord You are my God
I will lift you up
Perfect in faithfulness ... You are
And marvellous things You've done
Planned long ago
You have made known to us ... Your love
You can make a city out of
A heap of rubble
Order from a pile of trouble
A refuge for the poor
A shelter in the storm
You can take impossible dreams
And make them viable
A broken church and send revival
Fools shame the wise
Dead men arise...
Dead men arise! Dead men arise!
Godfrey Birtill

Potters Table

He's taking us to the potters table
Throwing us onto the spinning wheel
Moulding us with strong hands of mercy
Preparing us for an amazing yield
It's the only way ... we need a massive change

It's for the harvest ... that we are turning
We're turning inside out
Out into this world
(repeat)

He's taking us to the potters table
Pouring His grace on the ruined clay
Reshaping us for His coming Kingdom
This generation must see the day

Looking

Looking for Your presence
It's time to seek Your face
May the windows of heaven
Open up today

Let us flow with Your rhythm
The Spirit and the Word
And pick up Your burdens
Walk the land and pray

Carrying You ... Carrying You
Into the city streets and homes
Carrying You ... Carrying You
We hear the footsteps of the Lord

Can Your heavy glory
Can Your heavy glory
Can Your heavy glory
Can Your heavy glory rest on me?
Godfrey Birtill & Martin Scott

I Will

I will praise You O Lord among the nations
I will sing of You among the peoples
For great is Your love
Reaching to the heavens
And Your faithfulness
Reaches the skies

Awaken my soul awaken string instruments
Awaken my song, awaken the dawn
For great is His love
Reaching to the heavens
And His faithfulness
Reaches the skies
Godfrey Birtill

Bless The Lord

Bless the Lord ... O my soul
And all ... that is within me
(repeat)

Bless His holy name
Bless His holy name
He is good ... good to us
And His love ... endures forever
(repeat)

Bless His holy name
Bless His holy name
Open wide ... heavens gates
Let the King of Glory in
(repeat)
Godfrey & Gill Birtill

Love

Love ... beyond measure
Such amazing favour from my Lord
Love ... flows forever
I am soaking in the grace of God...

Love endures, it suffers long
It keeps no record of the wrongs
It is not proud, it does not boast
It always trusts and always hopes

Yes love is kind, it seeks the best
Pulls no-one down always protects
Love perseveres and never fails
Faith, hope and love remain
But the greatest of these is love...

For The Grace

For the grace of God that brings salvation
Has come for everyone in every nation
And it teaches us to say No to all ungodliness
And the peace of God that beats all understanding
Renewing our minds, free from entangling
And it teaches us to be still in all our busyness

While we wait for the blessed hope
For the glorious appearing
Of our great God and Saviour
While we wait we can rest assured
Of the glorious appearing
Of our great God and Saviour

For the love of God beyond all measure
Pours into our hearts the joy of heaven
And it teaches us to add faith
To see his Kingdom come

And the power of God at work within us
Is greater than any force of evil
And it teaches us to press in
And to stand, stand, strong
