

Hold Me In – Lyrics

Hold me in

Hold me in... Hold me in
It feels like everything's shaking
Hold me in... Hold me in
Draw me to the place where I'm safe again.
Beneath the banner of the cross
Where every foe can be be routed
Every enemy defeated
Every hindrance overcome
Help me stay beneath Your banner
While the battle is still raging
Lifting high the name of Jesus
The power of God
Godfrey Birtill

Beautiful river

You flowed into my wilderness
Your crystal waters gave me rest
I found my peace upon Your shores
For lesser things I thirst no more.

You make me want to laugh and cry
You make me want to dance and bow
You make me want to shout and sigh
Overwhelmed by Your beauty

Na Na Na, Na Na-Na, Na Na-Na
Beautiful river

You turn the bitter waters sweet,
Of every sour stream You meet
Polluted mind and stagnant soul,
Are purified in Your control.
I love the loneliness I see
In river bend and waterfall
I plunge my life into the deep
And from Your depth I live in awe.

Bless The Lord

Bless the Lord ... O my soul
And all ... that is within me
(repeat)

Bless His holy name
Bless His holy name
He is good ... good to us
And His love ... endures forever
(repeat)

Bless His holy name
Bless His holy name
Open wide ... heavens gates
Let the King of Glory in
(repeat)

With all my heart

With all my heart
With all my soul
With all my strength
I will love You, Lord.

With all my mind
With all my being
With all my might
I will love You, Lord.

Holy - Holy -
Godfrey Birtill

Lord my soul

Lord my soul thirsts for You
And my flesh longs for You
As in a dry and weary land
Where there is no water
So here I am with open eyes
In Your presence satisfied
As I am drinking in Your strength
And Your glory...
For Your unchanging goodness
Is better than life
And Your amazing love
Has lifted me high
You are my inspiration
I will praise You and sing
In the shadow of Your wing (repeat)
Godfrey Birtill

Jesus my Strength

Jesus, my Strength
My Hope
In everything -
Jesus, my Peace
My Joy
You I need -

No-one is greater
No wisdom wiser
No power is mightier
Than You -
No one is lovelier
No kindness kinder
No calling higher
Than You.
Godfrey Birtill

Outrageous Grace!

There's a lot of pain
But a lot more healing
There's a lot of trouble
But a lot more peace
There's a lot of hate
But a lot more loving
There's a lot of sin
But a lot more grace

Oh Outrageous Grace!
Oh Outrageous Grace!
Love unfurled by heavens hand
Oh Outrageous Grace!
Oh Outrageous Grace!
Through my Jesus I can stand

There's a lot of fear
But a lot more freedom
There's a lot of darkness
But a lot more light
There's a lot of cloud
But a lot more vision
There's a lot of perishing
But a lot more Life!

(chorus)

There's an enemy
That seeks to kill what it can't control
It twists and turns
Making mountains out of molehills
But I will call on the Lord
Who is worthy of praise
I run to Him and I am saved! ... by ...

(chorus)
Godfrey Birtill

Closer Jesus

Closer Jesus, Closer Jesus,
Further, deeper, draw me near (*repeat*)
Grant me a willing spirit to sustain me
That I may live the rhythm of the Lord
Renew a steadfast spirit deep within me
Make my heart pure, restore my joy
Godfrey Birtill

The voice of the Lord

The voice of the Lord is over the waters
The voice of the Lord from the heavens thunders
The voice of the Lord makes the deer give birth
The voice of the Lord shakes the barren earth
The voice of the Lord is over the waters...
And all His people cry...glory
And all His people cry...glory
The Lord is enthroned King forever
The voice of the Lord strikes with flashing lightning...
The voice of the Lord strips the forest bare
The voice of the Lord breaks the atmosphere
The voice of the Lord strikes with flashing lightning...
And all His people cry...holy...
Godfrey Birtill

They've Got A Trumpet

They've got a trumpet in their hand
And they're about to blow the trumpet
It's a signal ... It's a call to pray ...
It's an attractive sound
Many people will respond to it
I hear the people of the Lord
Awakening this day

I can hear them pray now
I can hear them pray now
I can hear them pray now
God's Kingdom come on earth

They've got the strings in their hands
And they are about to strike a rhythm
It's a flow ... with the bold new wave
It's a persistent sound
Many will respond to it
I hear the people of the Lord
Awakening this day

They've got a drum in their hand
And they're about to start the drumming
It's a new beat of the ancient way
It's a call-up sound
Many will respond to it
I hear the people of the Lord
Awakening this day

Jesus God To The Rescue

JESUS.....God to the rescue
JESUS.....God with us
JESUS.....Name of the saviour
 Mighty deliverer
 Come Jesus Come!
 Come Lord Come! (x3)

Come, to every circumstance,
That we place in Your hands
Whether we fly or if we fall.
We need your saving grace
At every hour and place,
There is no higher name to call.....

Come, and heal the broken lives,
Put hope back in their eyes
We long to see the bound released.
Come Spirit of the Lord,
Pour out the oil of joy
In this the year of Jubilee.....

Come, and touch Your church again,
With Your empowering,
Whether we're high or if we're low.
It's at the cross we meet
The place that we agree
Only one faith, one church, one Lord.
