

You're Still God - Lyrics

Lift Up Your Heads (Alleluia)

Lift up your heads , you gates of brass!
You bars of iron yield!
And let the King of glory pass;
The cross is in the field.

Alelluia....Alelluia...Alelluia.... Alelluia.....
Alelluia....Alelluia...Alelluia.... Alelluia.....

You armies of the living God
Stand in your Captains might
Go where no hallowed feet have trod
Arise My warrior bride!

O fear not, faint not, halt not now;
Don't quit, like men be strong,
To Christ shall every nation bow,
And sing with you this song.

Uplifted are the gates of brass
The bars of iron yield
Behold the King of glory pass
The cross has won the field!

God So Loved This Whole World

God so loved this whole world
That He gave his only Son
And if we will cleave to Him
We'll not perish
But we'll have eternal Life
And we'll never be condemned
For God's promises are Yes and Amen!

.
Yeah yeah yeah!...Yeah yeah yeah!
Yeah yeah yeah!...Yeah yeah yeah!
Yeah yeah yeah!...Yeah yeah yeah!
and Amen!

.
Though we walk through dark days
Where the earth and heavens shake
Through the valley of despair
He is with us
Never giving up on us
Faithful and forever friend
For God's promises are Yes and Amen!

.
Through the cross we are saved
In the blood we put our faith
For there is no other way
In to heaven
Jesus conquered death and hell
Promised to return again
And God's promises are Yes and Amen!

When I Look At The Blood

When I look at the blood
All I see is love, love, love.
When I stop at the cross
I can see the love of God

But I can't see competition
I can't see hierachy
I can't see pride or prejudice
or the abuse of authority
I can't see lust for power
I can't see manipulation
I can't see rage or anger
or selfish ambition

But I can't see unforgiveness
I can't see hate or envy
I can't see stupid fighting
or bitterness,or jealousy.
I can't see empire building
I can't see self importance
I can't see back stabbing
Or vanity or arrogance.

I see surrender, sacrifice, salvation,
humility, righteousness, faithfulness, grace, forgiveness
Love Love Love.....
When I Stop!...at the cross
I can see the love of God.

There's A Lot Of Pain (Outrageous Grace)

There's a lot of pain
But a lot more healing
There's a lot of trouble
But a lot more peace
There's a lot of hate
But a lot more loving
There's a lot of sin
But a lot more grace

Oh Outrageous Grace!
Oh Outrageous Grace!
Love unfurled by heavens hand
Oh Outrageous Grace!
Oh Outrageous Grace!
Through my Jesus I can stand

There's a lot of fear
But a lot more freedom
There's a lot of darkness
But a lot more light
There's a lot of cloud
But a lot more vision
There's a lot of perishing
But a lot more Life!

(chorus)

There's an enemy
That seeks to kill what it can't control
It twists and turns
Making mountains out of molehills
But I will call on the Lord
Who is worthy of praise
I run to Him and I am saved! ... by ...

(chorus)

Where O Where's Your Presence O God (You're Still God)

Where O where's Your presence O God?
In this dry and weary land
So many people drifting away
How we need to understand...
You're still God
Even when we're unbelieving
Still God
When we're desperate for our healing
Still God, still God, still God.
You're still God
Even when our friends desert us
Still God
Even through the things that hurt us
Still God, still God
So I will be still, and know You are God.

Where O where's Your kingdom O God?
We have let holiness go
So many idols litter our land
We've got to let this nation know...
You're Still God
When the government has no answers
Still God
When the media lowers the standard
Still God, still God, still God
You're still God
When the plans we make are worthless
Still God
When we lose our sense of purpose
Still God, You're still God,
So I will be still, and know You are God.

When will Jesus really be seen
Through the church that bears his name
Agents of his kingdom, his peace
In the world for which he came
You're still God
Even though You were rejected
Still God
Though You were ridiculed, deserted
Still God, still God, still God
You're still God
Though You suffered execution
Still God
You're alive and Christ our champion
Still God, still God
So I will be still, and know You are God

Purify My Imagination

Purify my imagination
With Your beauty O Lord
Nourish my mind with Your truth
That I may worship.
Quicken my conscience to Your holiness
In Your presence O Lord
Open my heart to Your love
that I may worship.

Sweet adoration, Sweet adoration
Holy, Holy, Holy is the Lord
Sweet adoration, Sweet adoration
Holy, Holy, Holy is the Lord our God

Take away the sting of bitterness
By Your mercy O Lord
Awaken my soul to Your grace
That I may worship.
How can I hold unforgiveness
Knowing you forgive me
I surrender my life, my all
That I may worship

Bless His holy name
Bless His holy name
Open wide ... heavens gates
Let the King of Glory in

After I've Done Everything (I Will Stand)

After I've done everything
I will stand....
With my eyes on the King of kings
I will stand.....I will stand...
I will stand in confidence
To see the Lords deliverance..
I will stand....I will stand...
Of this I'm absolutely sure
I'll see the goodness of the Lord
Yes I will stand....

Because I'm standing with Jesus
I am standing with my King
Because I'm standing with Jesus
I am standing with my King

Even in the darkest days
I will stand
And bring a sacrifice of praise....
I will stand.....I will stand...
No matter what is thrown at me
I'll stand against the devils schemes
I will stand.....I will stand...
Upright and undisturbed
Unafraid I'm standing firm
Yes I will stand..
(Stand and I will stand with you...)

Lord Turn Your Footsteps

Lord turn Your footsteps towards these ruins
We need You here...We need You here...
Our homes are broken
Our children are stolen
We need You here...We need You here....

Our God and King...Ancient of days...
Alpha Omega, Jesus, Saviour
Work Your deliverance in this place.
Yours is the night...Yours is the day..
No-one is greater...come Lord save us!
Work Your deliverance in this place...

Lord turn Your footsteps towards these ruins
We need You here...We need You here...
In these streets filled with darkness
Our children fatherless
We need You here...We need You here...

Unbelief Is A Barren Field

Unbelief is a barren field
In a strange land
Nothing lives there
Unbelief is a deep hole
Full of heavy clay
I don't want to be there

I will rise up from my unbelief
Up to the place of faith
To fly up high on eagles' wings
By grace.

.
I will Fan the flame of faith
Fan the flame of faith
Fan the flame of faith again...

.
Lost hope is a weary mind
It's a sickened heart
A stolen vision
Lost hope is a downcast soul
It's the bitter taste
Of disappointment

But I know a hope that's coming
Hope that is a tree of Life
So I'm trusting in the living hope
Jesus Christ

Looking For Your Presence (Carrying You)

Looking for Your presence
It's time to seek Your face
May the windows of heaven
Open up today

Let us flow with Your rhythm
The Spirit and the Word
And pick up Your burdens
Walk the land and pray

Carrying You ... Carrying You
Into the city streets and homes
Carrying You ... Carrying You
We hear the footsteps of the Lord

Can Your heavy glory
Can Your heavy glory
Can Your heavy glory
Can Your heavy glory rest on me?
