

## O God O God O God – Lyrics

### Just One Touch From The King

There's battle raging over this land  
A deep damage in the people  
Yet pride stops us  
Stretching out our withered hand  
Yet God has stretched out to heal us

This I know, this I know,  
This I know, this I know that

**Just one touch from the King  
Changes everything  
Just one touch from the King  
Changes everything**

There's a great darkness over this land  
A deep darkness on the people  
But a light shining  
That the dark can't understand  
Light of the world King Jesus.

Do you know? Do you know?  
Do you know? Do you know?

O land O land O land  
Hear the Word of the Lord

### **Fear Not O Little Flock**

Fear not O little flock,  
The foe who madly seeks to overthrow  
Will come crashing down.  
Dread not his rage and power  
His seeming triumph over all God's saints  
Lasts a little hour...  
True as God's word is true  
Not earth nor hell and all it's crew  
Against us shall prevail  
Our victory just cannot fail...

### **Rise Up! Rise Up! Rise Up! Rise Up! Rise Up!**

Fear not O little flock,  
Be sharp! Be strong!  
your cause to God belongs  
Fix your eyes and pray...  
Stand with the God of peace  
He'll soon crush Satan  
underneath your feet  
In this your battle day  
Lord Jesus grant our prayer  
Great Captain, now Your arm make bare  
As Your sword sweeps the skies  
We'll see salvation here arise...

*(Mid 8)*

Hold on...Hold on...  
Keep your hand on that plough hold on!

### **You Choirs Of New Jerusalem**

You choirs of new Jerusalem,  
Your sweetest notes employ,  
Of Jesus victory to sing  
In strains of holy joy.  
For Judah's Lion has burst His chains,  
Crushing the serpent's head;  
And cries aloud through death's domains  
To wake the imprisoned dead.

### **Hallelujah Hallelujah Hallelujah Hallelujah**

Devouring depths of hell their prey  
At His command restore;  
His ransomed hosts pursue their way  
Where Jesus goes before.  
Triumphant in His glory now  
To Him all power is given;  
To Him in one communion bow  
All saints in earth and heaven.

While we, His soldiers, praise our King,  
His mercy we implore, ,  
Within His palace bright to bring  
And keep us evermore.  
All glory to the Father be,  
All glory to the Son,  
All glory, Holy Ghost, to Thee,  
While endless ages run.

### **We Have Waited (O God O God O God)**

We have waited... But He's not come!  
We have waited... But He's not come!  
We have prayed...  
We have prophesied  
We have preached...  
We have read the Word  
We have praised  
We have sung our songs  
And we look, but He hides His face.

We have waited... But He's not come!  
We have waited... But He's not come!  
We have danced  
We have shouted out  
We have cried  
We have bowed down  
We say 'God is here'  
But we kid ourselves  
and we look, but He turns away.  
We have waited... But He's not come!  
We have waited... But He's not come!

There must be something wrong.....

O God O God O God O God O God

### **If My People**

If my people  
who are called by My Name,  
Humble themselves and pray  
turn their wicked ways and  
seek My face...  
I will hear from on high and I  
will heal their land. (rpt.)

If My people will pray  
Turn from their wicked ways  
Bow down seeking My face  
Then I will heal their land. (rpt.)

### **They've Got A Trumpet**

They've got a trumpet in their hand  
And they're about to blow the trumpet  
It's a signal ... It's a call to pray ...  
It's an attractive sound  
Many people will respond to it  
I hear the people of the Lord  
Awakening this day

**I can hear them pray now  
I can hear them pray now  
I can hear them pray now  
God's Kingdom come on earth**

They've got the strings in their hands  
And they are about to strike a rhythm  
It's a flow ... with the bold new wave  
It's a persistent sound  
Many will respond to it  
I hear the people of the Lord  
Awakening this day

They've got a drum in their hand  
And they're about to start the drumming  
It's a new beat of the ancient way  
It's a call-up sound  
Many will respond to it  
I hear the people of the Lord  
Awakening this day

### I Will Put My Trust In You

I will put my trust in You O Lord

Some trust in their wealth  
Some in ancient stones  
Some in modern science  
Some in gods unknown  
Some trust in the earth  
Some trust in their luck  
Some trust in the stars  
Some trust in their looks

Through the storms of life  
The valleys and the hills  
When I feel alright  
When I've had my fill  
Even when I'm up!  
Even when I'm low  
I'm holding on to You  
I'm not letting go

Trust with all my heart  
That You will lead me through  
Not leaning on my strength  
I acknowledge You  
In everything I do  
Listen for Your voice  
Keeping me on track  
Everywhere I go

### Abba Your First Word (I Have Loved You)

I have loved you, I have held you,  
Though you weren't aware of it.  
Taught you how to walk and talk and  
Abba your first word.

**My heart breaks, as I wait  
And I see you lost and cold  
My heart breaks, as I wait,  
To see you coming home.**

I have touched you, I have kissed you  
Though you weren't aware of it.  
Taught you how to laugh and cry and  
Watched you walk away.

### **Outrageous Grace (There's A Lot Of Pain)**

There's a lot of pain  
But a lot more healing  
There's a lot of trouble  
But a lot more peace  
There's a lot of hate  
But a lot more loving  
There's a lot of sin  
But a lot more grace

Oh Outrageous Grace!  
Oh Outrageous Grace!  
Love unfurled by heavens hand  
Oh Outrageous Grace!  
Oh Outrageous Grace!  
Through my Jesus I can stand

There's a lot of fear  
But a lot more freedom  
There's a lot of darkness  
But a lot more light  
There's a lot of cloud  
But a lot more vision  
There's a lot of perishing  
But a lot more Life!

There's an enemy  
That seeks to kill what it can't control  
It twists and turns  
Making mountains out of molehills  
But I will call on the Lord  
Who is worthy of praise  
I run to Him and I am saved!

### **Breakout (I've Been Washing My Nets)**

I've been washing my nets for too long  
On the shores of unbelief  
Listening through hours of meetings  
Now it's time to do what I see  
To put out into deeper water  
Sail away on the winds of faith  
I see there's a massive harvest  
The nets will almost break...

BREAKOUT! - This is the time  
BREAKOUT! - This is the call  
BREAKOUT! - This is the year of the Breakout!

Keep pressing in and forget the old thing  
See the new thing springing up  
New wine for a brand new wine skin  
Fresh oil with an ancient touch  
Make room for the great awakening  
It's here and it's on it's way  
We'll see God's kingdom break out  
To the right and the left today...

*(Mid 8)*

It's time to call to the shore  
We'll need some partners  
It's time to ask the Lord  
To send more labourers...
