

Very God – Lyrics

Blessed are the people

Blessed are the people who know the joyful sound.
Blessed are the people who know the joyful sound.
Hear the sound of the trumpets
Hear the voice of the Lord
It's the year of God's favour and salvation joy
Blessed are the people who know the joyful sound.

Can you hear it? Can You hear it?
Can you hear it? Can You hear it?
It's the sound of revival!

Blessed are the people who know that God is good
Blessed are the people who know that God is good
Who know the joy of forgiveness
All their sins washed away
Hear the sound of the gospel
It's still breaking the chains
Blessed are the people, who know that God is good.
Hear the sound of creation
See the seasons how they change
The sustainer of all life
Is breathing hope in our hearts once again.

R U Ready?

Are you ready ready ready? A ring a ding a ding a ding...
Are you ready ready ready? A ring a ding a ding a ding...
Are you ready ready ready? A ring a ding a ding a ding
a ding a ding a ding a ding.

Glory in the kitchen.....Glory in the Hall
Glory in the Living room...Dining room and all
Glory in the bathroom.....Angels sing
Glory in the bedroom...Sweet sleeping
Glory in the garage.....Glory in the lounge
The glory of the Lord's all over the house.

Glory in the restaurant....Glory in the pub
Glory in prison....Glory in the club
Glory in the shops....Glory in the park
Glory in the bank and the cinema
Glory in the dentists checking out your teeth
The glory of the Lord is falling in the streets.

Glory on the Bus....Glory on the Train
Glory in the car....Glory on the plane
Glory when I run...Glory when I hike
Glory when I swim...Glory on my bike
Glory going to play.....Glory going to work
The glory of the Lord is covering the earth

The die has been cast

The die has been cast,
And I've stepped over the line.
The decisions been made,
I'm going forward
And I will not look back
Let up or even slow down
And I won't back away,
I'm following Jesus.

My shackles are gone
My feet are now free
So over the wall I will jump!

I've got to get up
I've got to get out
I've got to get in
The purpose of God (X2)

Our Lamb...has conquered
Let us follow Him, Let us follow Him

Run run run run run run run run run
Run with the fire!

Low living no more
Cheap talk, cheap giving, no more
No colourless dreams,
I'm going forward.
And I don't have to be right
First, tops, or recognized
And I don't have to lead,
I'm following Jesus.
(Run, run, run, run, run, run ,run,
Run with the fire)

Very God (A covenant keeping)

A covenant keeping, death defeating
Life redeeming, sinner receiving, God!
Very God!
The only Advocate, So Compassionate....
Love that's measureless, Life that's limitless, God!
Very God !
He's unchangeable, Inexhaustible
Depths unsearchable, gift unspeakable, God!

Very God of Very God
Who was and is
And is to come! (X2)

The Fathers radiance, learned obedience
Always excellent, my magnificent, God
Very God!
The highest authority, earth or heavenly
Greatness, humility, King of glory, God
Very God!
Jesus crucified, Jesus is alive
Jesus reigning high,
Jesus Light of Light, God!

The voice of the Lord

The voice of the Lord is over the waters
The voice of the Lord from the heavens thunders
The voice of the Lord makes the deer give birth
The voice of the Lord shakes the barren earth
The voice of the Lord is over the waters...

And all His people cry...glory
And all His people cry...glory
The Lord is enthroned King forever

The voice of the Lord strikes with flashing lightening...
The voice of the Lord strips the forest bare
The voice of the Lord breaks the atmosphere
The voice of the Lord strikes with flashing lighting...
And all His people cry...holy...

Fruitful vineyard (All the idols)

All the idols speak deceit
All their dreams are counterfeit
All their news sensationalized
All that gibberish is just lies

But I will sing of a fruitful vineyard
I will sing of the one True Vine
Flourishing throughout the whole earth
Turning darkness into Light.....
I will sing of a fruitful vineyard
Where the leaves will never fail
Where I can drink from the source of the river
Where I can dance in the sweet sweet rain

There is a place, near to You
There is a place, called beautiful
There is a place, where we can stand
And see Your glory....Your glory come down.

Let the rain come down!...That activating rain
That causes us to change
From glory to glory.....
Let the rain pour out!...That activating rain
To cause the land to change
From glory to glory to glory to glory...

Many are the plans

Many are the plans in a mans heart
But the purpose of the Lord prevails
Many are the vows that are broken
But the Word of God never fails

Much dreaming is meaningless
Much talking just pointless
I'm pressing into the rest
By God's grace, I may enter.

Through the veil torn
Through the veil torn

Where hope is born
Where faith is fired
Up for the plan that God inspired.
Where peace is kissed
And love assured
In sweet communion with the Lord

Go through! Go through!
The stones remove.
Build up! Build up! Come deeper.

Why should You be like a stranger

Why should You be like a stranger in the Land?
Why should You be like a warrior who's walked away?
Like a traveller who's turned aside
Gone to rest for the night..
Yet You O Lord are in our midst
And we are called by Your Name
Lord Jesus.....Have mercy on us.
Though our backslidings are many
Though we've sinned against You
Lord Jesus.....Have mercy on us.

Why should You be so rejected in the land?
Like a messenger who's message we can't understand
Like a bridegroom without a bride
Because her passion just died....
Yet You O Lord are in our midst
And we are called by Your Name.
Lord Jesus.....Have mercy on us.
For our being disconnected
For our ways that separate
Lord Jesus.....Have mercy on us.

We are flooded now with idols in the Land
A nation worshipping what it has made with it's own hands.
Self obsessed, self made facade
Saying, 'there is no God'
Yet You O Lord are in our midst
And we are called by Your Name.
Lord Jesus.....Have mercy on us.
For our building power structures
Celebrities we've loved to touch us
Lord Jesus.....Have mercy on us.

Behold the mountain of the Lord

Behold! the mountain of the Lord
In latter days shall rise
On mountain tops above the hills,
And draw the wondering eyes.

The beam that shines
The King Who reigns in Salem's towers
Shall all the world command.

Among the nations He shall judge;
His judgments truth shall guide
His sceptre shall protect the just
And quell the sinner's pride.

No strife nor rage, nor hostile feuds
Disturb the peaceful years;
To ploughshares soon they beat their swords
To pruning hooks their spears.

Come then, O house of Jacob, come
And lift up Jesus Christ
And, walking in the light of God,
Throughout the nations shine.

Just as he said

Just as He said
'I am the Living Bread
Come feed on Me...Life receive'
And on the last day,
You shall be raised up
Through Jesus the Saviour of the world.

Just as He said, He rose from the dead!
He is alive! Jesus Christ
Has conquered the grave,
Leading the way
Jesus the Saviour of the world.

Allelujah Allelujah Allelujah Amen!
Allelujah Allelujah Allelujah Amen!

Just as He said,...
With a shout, He'll come again
And break through the sky...for His bride
And when He appears,
Every eye will see Him
Jesus the Saviour of the world.

No worries (When I look at the world)

When I look at the world I get distressed
When I look at myself
I sometimes get depressed
When I look at the Lord I find rest
As I listen to His words...

Don't be anxious or uneasy
Don't be tense now, don't worry...
Don't be anxious or uneasy
Don't be tense now, don't worry...No No!

When I think of the time wasted in bed
Things blown out of proportion
Buzzing round my head
Something tries to steal the very best
Then I listen to these words...

No No...No No...No No...No worries (rpt.)
God holds the future, He is faithful
I'm going to trust Him, each and every day.

The love of loves word

The love of Love's Word
This lamp to my feet
This light to my path
Holy Spirit breathed
The love of Love's word
It's tried and it's clean
Reviving the soul
It's the Word I need.

The Word of God can not be imprisoned!
The Word of God is active and living
Light to my path...lamp to my feet
When I read Love's Word it reads me.

The love of Love's Word
A hammer a fire
It's upright and true
And it's God inspired
The love of Love's Word
It's sharp to the point
It cuts and it heals
Never comes back void.

The grass withers and the flowers fade
But the Word of the Lord stands forever!
The earth trembles and the mountains shake
But the Word of the Lord stands forever!

Looking for Your presence

Looking for Your presence
It's time to seek Your face
May the windows of heaven
Open up today

Let us flow with Your rhythm
The Spirit and the Word
And pick up Your burdens
Walk the land and pray

Carrying You, Carrying You
Into the city street and homes
Carrying You, carrying You
Then we hear the footsteps of the Lord

Can Your heavy glory rest on me?

The suddenly of God

The suddenly of God
A sound from heaven
The government of God
Coming to earth

A holy tornado
Extraordinary power

Like a violent wind
A violent love filling the air...
Realms of glory
Lord I long to see...
Realms of glory
Lord I long to see...
A holy wild fire
Extraordinary power
Like a violent wind
A violent love filling the air...
